

**REMARKS**

This Amendment under Rule 37 CFR § 1.312 is being presented to replace the word "swivel" in Claim 2 with the word "turning" to define axis (k), which was previously correctly defined in independent Claim 1 as the turning axis (k).

Entry of this Rule 312 amendment is respectfully requested inasmuch as it is being made before payment of the issue fee, does not change the scope of the claims, and does not require an additional search.

Should the Examiner have any questions regarding this Amendment, a telephone call to the undersigned is greatly appreciated.

Respectfully submitted
